4th dam Queen, thoroughbred..... .....by Robert Bruce.

NOTE—Young Baron is a good gaited one, and acts as if he could run away at trotting. He certainly is very speedy, as he trotted a full mile at 20 months of age in 2:42, and a quarter in 38 seconds, a 2:32 gait. People looking for a Wilkes horse can find it in him, for as is inbred, and a counterpart of his sire, Baron Wilkes. His service fee is $15 per season, as the other stands.

PREFACE.

A book, like an individual, should be introduced into good society, and our book, a complete directory, we hope will be received kindly, handled liberally, and "cussed" sparingly by the business houses and residents of Champaign county.

No doubt the careful reader will find errors, but let him or her be consoled with the thought that the Creator makes very few perfect things. Few people are aware of the difficulties that present themselves in the collection of information for a directory. The indifference of some, the stubbornness of others, and the would-be witticism of a few.

Respectfully,

R. E. GLASS.
